**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am perfectly happy with my competitive provider Lmi and don't want any impediment to their fine services. I am familiar with the trouble friends have with getting a response from AT&T when there are problems and I don't want to go through that myself.

As we live in a country dedicated to economic competition, I have benefited from this and I don't wish to have it interfered with.
